HOME DELIVERY

Please read the information for each geographical area also please contact us for the following

- If you are outside the geographical limits but would like home delivery. We have routes that may pass your house/location and can accommodate deliveries (especially to the west, north and south of Wausau, and outside boundaries in some rural areas)
- If you have a disability or chronic illness and cannot afford additional delivery but need it to access CSA.
- If you are applying for or need financial assistance through the Fairshare CSA Coalitions Partner Shares Program OR are using Foodshare/EBT to cover any of your share costs.
- If you are in an area not served by delivery but within 20 miles of the farm and you want to help organize a new route!
